ARTHUR ANDERSEN & CO. 67 WALL STREET, NEW YORK

To the Board of Directors,

Hershey Chocolate Corporation:

We have examined the consolidated balance sheet of Hershey Chocolate Corporation (a Delaware corporation) and subsidiary company as of December 31, 1943, and the summaries of consolidated profit and loss and earned surplus for the year then ended, have reviewed the system of internal control and the accounting procedures of the companies and, without making a detailed audit of the transactions, have examined or tested accounting records of the companies and other supporting evidence, by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which we considered necessary, except that we were unable to obtain confirmation of certain receivables from United States Government departments and agencies. We satisfied ourselves as to the fairness of the balances of such receivables by extending our tests of the records and documents pertaining thereto.

In our opinion, the accompanying balance sheet and related summaries of profit and loss and earned surplus present fairly the position of Hershey Chocolate Corporation and subsidiary company at December 31, 1943, and the results of their operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

New York, N. Y., February 21, 1944.
